

SILVER HOPE PROJECT HOUSTON AREA, BRITISH COLUMBIA

PRIMARY TARGET: MAIN "DEEP" HORIZON

- Southern mineralized structural continuation from the past producing Equity Silver Mine (Main and Southern Tail open pit and underground) exploited Ag, Au, and Cu zones.
- **The Main "Deep" Horizon is followed for 2.1 km on Finlay's claims** and includes historic and shallow Hope, Superstition, and Gaul Ag-Cu zones.
- Deep target is +200m below surface, bulk tonnage, replacement Ag-Au-Cu zone in altered volcanics defined by deep Induced Polarization geophysics (I.P.), soil and rock geochemistry, and core drilling.
- The Equity Silver Mine produced 71 million oz. Ag, 185 million lbs. Cu and 508,000 oz. Au (historical).
- Deep drilling along Main "Deep" Horizon, below and lateral to SH11-12 which intersected **76m @ 0.43g/t Au, 29g/t Ag and 0.20% Cu (1.24 g/t Au equivalent)**.

2014 TARGETS

- The **Targets A - F** on the plan maps are derived from previous drilling, I.P., geochemistry and airborne ZTEM geophysics.
- **Airborne ZTEM and ground gravity surveys** have outlined extensive anomalous areas associated with surface alteration and **magnetic anomalies**.

SH 11-12 cross section indicating the first two drill targets in green.

PROVEN DEPOSIT AND MINE DISCOVERIES

Finlay management has +170 years of accumulated geological, geochemical, and targeted drilling experience.

MANAGEMENT & DIRECTORS

John Barakso, M. Sc.

Chairman of the Board & Director

Robert Brown, P. Eng.

President, CEO & Director

Rick Dauphinee, B.Sc, CA

Director

Warner Gruenwald, P. Geo.

Vice-President Exploration & Director

David Schwartz, B. Comm, JD

Director

Peter Tegart, B.Sc.

Director

James Tutton, B. Comm.

Director

“The Silver Hope Property sits in the largest sulphidation system that I have seen in British Columbia. With persistence, Finlay Minerals has yielded a copper-molybdenum porphyry discovery in 2010 and a new gold-silver-copper discovery in 2011.”

– John J. Barakso, Finlay’s founder and Chairman of the Board and co-founder of the Equity Silver deposits.
